Sir,

With reference to your Official Memorandum No 3807 the 10th September 1895 calling for report on a petition from Chikkanna of Dasarighatta in the Tiptur Taluk, I have the honor to state as follows -

1. The petitioner complains
(1) that the public entrance to the Chennigarayaswami temple at Dasarighatta has been closed and a private one opened through Putta-
-gowda's house and
(2) that the Inam land attached to

to the temple has been in the enjoyment of aliences to the prejudice of the due performance of worship therein.

2. The records show that the Amildar of the Tiptur Taluk declined in March 1894 to interfere with the present enjoyment of the Inam lands as the temple was a private one. This view seems to be erroneous inasmuch as the temple has been endowed with Inam land by Government. I shall hold an enquiry into the matters complained of and report the result to you in due course.

I have the honor to be
Sir,
Your most Obedt Servant.

No 816. Deputy Commissioner's office
Tumkúr District
Ent: Vernacular file
Dated, Tumkúr, 2nd April 1897.

To The Secretary to the Government
of Mysore, Mozarai Department.

Sir,

Referring to Proceedings No. 1021 dated the 14th March 1896, in re Chickamma's Complaint regarding the Chennigaraya swamie temple at Dasaragatta in the Tipturi Taluk, I have the honor to report as follows:—

2 The first item of Complaint is that the public entrance to the temple has been closed and a private one opened through the Patel's house. A rough sketch shewing the position of the temple and its surroundings is herewith forwarded, from which it will be seen that at present there is no entrance to the temple except through the Patel's dwelling house. I have issued orders for an entrance being opened at the point marked A, for the use of the people.

× Vide Paper No. 53 in the Vernacular file.

3. The second point brought to notice by Chickamma relates, to the

alienation of the temple Inam land to the prejudice of the due performance of worship therein. The Inam consists of a garden Survey no 13 measuring 7 acres and 16 guntas and assessed at Rupees 22-0-0. The Jodi payable to Government on the number is Rupees 20-0-0. The Inam is at present in the occupancy of the Patil whose family have held it for a long time. He pays the annual Jodi of Rupees 20/- to Government. The old Chittas produced by the Patil shew that the temple Inam garden land was originally leased out to his ancestor on Kandayam. Whether any payment was made to the temple out of the amount recovered from the lessee is not clear. There is no reason why the Patil should enjoy the difference between the assessment and the Jodi. Rs: 22-20 = 2 Rupees. It may not be desirable to disturb the Patel's

possession of the land in considera-
-tion of the long period during
which it has been in the enjoy-
-ment of his family, but he may
be required to pay the full assess-
-ment thereon to the temple.

4. The Vernacular records connected
with the case are herewith submitted
for further reference.

Petition No. 719 dated 10th August 1895 from one ChikKanna of Dasanghutta in Tiptur Taluk, stating (1) that the public entrance to the Sri Chennakeshavaswamy temple at Dasanghutta has been closed and a private one opened through one Putta Gowda's house to the great inconvenience to of the public and (2) that the Inam lands attached to the temple are being unauthorisedly enjoyed by the Patel of the village.

And,

Letter No 816 dated 2nd April 1897 from the Dy Comr. Tumkur District, reporting on the above.

Order

Order thereon :—

With reference to the first of the two questions raised in the petition read above, the Dy Comr. reports that at present there is no entrance to the temple except through the Patels' dwelling house; and that, to suit the convenience of the public, he has issued orders to the opening of a new entrance from the Eastern side, at the point A in the ~~as per~~ sketch appended. The Dy Comrs action in this respect is approved.

2. Adverting to the second question it is observed that the marginally noted ✻ inam lands forming the endowment to the temple

Jodi. Rs 20.

is being enjoyed by Patel
Arle Gowda without pay-
ment of any rent to the
temple. This person, while
admitting that the land is
temple inam, pleads that
he has been in possession
thereof for years past, pay-
ing only Jodi to Govt but
he is however unable to
produce any authority in
support of his right to the
free enjoyment of the land
The Patel now states that
the garden contains abont
180 Cocoanut trees in bearing &
to pay in future such rent
to the temple as the Govt
may be pleased to fix. Con-
sidering the long possession
of the land by the Patel and
his willingness to pay a
fair rent to the temple in
respect of the occupation

of the land the Government
are of opinion that the
resumption of the land
from the Patel's possession
is not called for. The Dy Comr
is now requested to report
~~what~~ having regard to the
present condition of the
garden what would be a fair
